DETAILED ACTION

1. The reply filed on June 1, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The proposed additional subject matter added to the descriptive portion of the specification does not have support therefore. Thus, it is objected to as new matter. Though Applicant stated no new matter has been entered by this proposed Amendment, support for such is not clear from the original specification. Applicant must specifically point out where such support for the proposed material is located from the original disclosure. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Claims 1-9, 11-13 and 16-59 are pending. It is noted that the newly presented claims 44-59 will be subject to a restriction requirement as these claims appear drawn to a non-elected invention. Applicant's Amendment and associated REMARKS will be reviewed in due course.
